

Certificate III in Civil Construction Plant Operations

Course Code:

R1130820

Historical Code:

R1130815

Program category:

Skills Assessment and Gap Training Civil

This Certificate III (3) reflects the role of a skilled operator working with civil construction plant, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge. The individual may provide theoretical advice and support a team

Eligibility for funding

It is important to note that only eligible participants may receive funding for eligible courses. Select a course to view the funding program options, eligibility criteria and find a Registered Training Organisation in your location.
