

Certificate III in Trenchless Technology

Course Code:

RII31619

Historical Code:

RII31615

Program category:

Skills Assessment and Gap Training Civil

This Certificate III (3) reflects the role of a skilled operator working in trenchless technology in the civil construction industry, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge. The individual may provide theoretical advice and support a team.
