

# Conduct telescopic materials handler operations

**Course Code:**

RIIHAN309F

**Program category:**

Short Courses Civil

This unit describes the skills and knowledge required to conduct telescopic materials handler operations.

**Eligibility for funding**

It is important to note that only eligible participants may receive funding for eligible courses. Select a course to view the funding program options, eligibility criteria and find a Registered Training Organisation in your location.

## Eligibility

Eligible participant means:

- a. a participant who has the right to work in Australia and is an **eligible worker** or **unemployed eligible worker** in Queensland

AND MUST NOT

- b. be an employee of an Authority (Employees of Local Councils are acceptable)
- c. be currently enrolled and participating in a Queensland secondary school program (School base apprentices and trainees are acceptable)
- d. be a contracted trainer or assessor or existing worker of an RTO
- e. be funded by an Authority or such other source for delivery of the same Training being undertaken as part of this Program
- f. be those Participants seeking a Verification of Competency (or Determination of Competency) services under this Agreement

## How to apply for this course

1. Check your **eligibility**
2. Check the list of Registered Training Organisations (RTOs) below
3. Find a provider located near you
4. Contact the provider directly using the contact details listed

## Currently offered by 45 Training Providers

○ Many CSQ-funded training options are now being offered online or as a blend of online or in-person delivery. Not all courses and qualifications are available for online delivery. Contact the provider directly to discuss online availability in your preferred region.
