Diploma of Project Management

Course Code:
BSB51415

Program category:
Higher Level Skills General

This qualification reflects the role of individuals who apply project management skills and knowledge. They may manage projects in a variety of contexts, across a number of industry sectors. They have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

Eligibility for funding

It is important to note that only eligible participants may receive funding for eligible courses. Select a course to view the funding program options, eligibility criteria and find a Registered Training Organisation in your location.

Eligibility

Eligible participants under this program:

1. must be:
   - an Australian or New Zealand citizen; or
   - a permanent resident of Australia; or
   - a holder of a refugee or humanitarian visa;
