

Licence to operate a boom-type elevating work platform (boom length 11 metres or more)

Course Code:

TLILIC0005

Program category:

Short Course General

This unit specifies the outcomes required to operate a boom-type elevating work platform (boom length 11 metres or more) for licensing purposes, a involves the operation of a telescoping device, hinged device, or articulated device or any combination of these used to support a platform on which personnel, equipment and materials may be elevated to perform work. The 11 metre boom length shall be taken to mean the greater of the following the vertical distance from the floor of the platform to the surface supporting the elevating work platform with the platform at its maximum height; or the nominal reach, measured horizontally from the centre point of rotation to the outer edge of the platform in its most extended position.

○ Eligibility for funding

It is important to note that only eligible participants may receive funding for eligible courses. Select a course to view the funding program options, eligibility criteria and find a Registered Training Organisation in your location.

Eligibility

Eligible participants under this program:

1. must be:

- an Australian or New Zealand citizen; or
- a permanent resident of Australia; or
- a holder of a refugee or humanitarian visa;

2. and must:

- permanently reside in Queensland or be employed in Queensland; and
