

# Select and prepare a construction contract

## Course Code:

CPCBC4003A

## Program category:

Short Course General

This unit of competency specifies the outcomes required to select and prepare appropriate construction contracts, including the sections, clauses and conditions for low rise construction projects. The ability to interpret complex documents, communicate clearly and succinctly and negotiate is essential skills.

### Eligibility for funding

It is important to note that only eligible participants may receive funding for eligible courses. Select a course to view the funding program options, eligibility criteria and find a Registered Training Organisation in your location.
