

# Working safely at heights

**Course Code:**

RIIWHS204E

**Historical Code:**

RIIWHS204D

**Program category:**

Short Course Civil

This unit of competency specifies the outcomes required to work safely on construction sites where the work activity involves working above 1.5 metres from ground level and where fall protection measures are required.

## Eligibility for funding

It is important to note that only eligible participants may receive funding for eligible courses. Select a course to view the funding program options, eligibility criteria and find a Registered Training Organisation in your location.

## Eligibility

Eligible participants under this program:

1. must be:

- an Australian or New Zealand citizen; or
- a permanent resident of Australia; or
- a holder of a refugee or humanitarian visa;

2. and must:

- permanently reside in Queensland or be employed in Queensland; and
- an **eligible worker**; or
- an **unemployed eligible worker**;

3. and must not be:

- currently enrolled and participating in a school program;
- a contracted trainer and assessor or existing worker of an RTO;
- already funded by an Authority or other such source for delivery of the same training being undertaken as part of the relevant program;
- eligible under the **CSQ Apprentice Advance + Program**.

## How to apply for this course

1. Check your **eligibility**
2. Check the list of Registered Training Organisations (RTOs) below
3. Find a provider located near you
4. Contact the provider directly using the contact details listed

## Currently offered by 18 Training Providers

Many CSQ-funded training options are now being offered online or as a blend of online or in-person delivery. Not all courses and qualifications are available for online delivery. Contact the provider directly to discuss online availability in your preferred region.
