CONSTRUCTION SKILLS QUEENSLAND (CSQ) IS HERE TO HELP YOU GET THE SKILLS AND TRAINING YOU NEED

IT'S OUR MISSION TO MAKE IT EASIER FOR YOU

We're funded by an industry training levy that applies to construction projects over a certain size. This money is used to help fund your training.

There are five programs on offer to help build your career and business:

- **SHORT COURSES**
- **MICROCREDENTIALS**
- **CERTIFICATE III**
- **SKILL SETS**
- **HIGHER QUALIFICATIONS**

COURSE GUIDE

2026-27

CSQ COVERS OVER 75% OF FUNDED COURSE COSTS

CERTIFICATE III

If you have been working in the building and construction industry for years and don't yet have a qualification, this program may help you gain that first qualification through recognition of your skills and experience and some training. The amount subsidised will vary dependent on your individual experience.

BUILDING

Certificate III in Bricklaying and Blocklaying

Certificate III in Carpentry

Certificate III in Concreting

Certificate III in Construction Waterproofing

Certificate III in Demolition

Certificate III in Landscape Construction

Certificate III in Painting and Decorating

Certificate III in Roof Plumbing

Certificate III in Roof Tiling

Certificate III in Scaffolding

Certificate III in Solid Plastering

Certificate III in Steelfixing

Certificate III in Stonemasonry

Certificate III in Wall and Ceiling Lining

Certificate III in Wall and Floor Tiling

CIVIL

Certificate III in Civil Construction

Certificate III in Civil Construction Plant Operations

SKILL SETS

Accredited and localised Skill Sets are available to help you meet industry and QBCC licence requirements.

BUILDING

	CSQ PAYS
Builder medium rise - site supervisor	NEW \$3,080
Builder open - site supervisor	NEW \$1,760
Builder restricted to kitchen bathroom and laundry installation - contractor & nominee supervisor	NEW \$3,080
Builder restricted to kitchen bathroom and laundry installation - site supervisor	NEW \$2,200
Builder restricted to shopfitting - contractor and nominee supervisor	NEW \$4,400
Builder restricted to shopfitting - site supervisor	NEW \$2,640
Builder restricted to structural landscaping - contractor and nominee supervisor	NEW \$3,080
Builder restricted to structural landscaping - site supervisor	NEW \$2,200
Operate a drain cleaning system	\$1,760
Site supervisor	\$2,200
Qualified technical person	NEW \$1,320
Queensland builder - low rise site supervisor	\$4,400
Waterproofing	\$3,960

HIGHER QUALIFICATIONS

Certificate IV, Diploma and Advanced Diploma courses are available to support your career progression.

BUILDING

	CSQ PAYS
Advanced Diploma of Building and Construction (Management)	\$4,400
Certificate IV in Building and Construction	\$8,360
Certificate IV in Building Project Support	\$6,600
Certificate IV in Hazardous areas - Electrical	\$5,280
Certificate IV in Leadership and Management	NEW \$5,280
Certificate IV in Project Management Practice	\$3,960
Certificate IV in Work Health and Safety	\$4,400
Diploma of Building and Construction (Building)	\$11,800
Diploma of Building and Construction (Management)	\$6,600
Diploma of Project Management	NEW \$5,280
Diploma of Work Health and Safety	NEW \$4,400

CIVIL

	CSQ PAYS
Advanced Diploma of Civil Construction	\$5,280
Certificate IV in Civil Construction	\$5,280
Diploma of Civil Construction Management	\$5,720

QUALIFICATION UPGRADE PROGRAM

If you have been a tradie for years, still working in the industry, and hold an old Certificate III qualification, and require a QBCC licence, you may need to upgrade your qualification. For a limited time, CSQ is providing access to subsidised skills assessment and gap training to enable you to upgrade to the latest version. The full list of eligible qualifications is available on our website.

To view all current courses and course codes, please visit csq.org.au/course-selector

Please note: The CSQ contribution represents the maximum amount CSQ subsidises per course per person. CSQ typically covers between 75% and 100% of funded course costs, however, costs will vary across training providers. Eligibility requirements apply. Refer to your Training Provider for more information. Some courses may not be available in all regions. Information current as at 5 August 2026.

CSQ

SHORT COURSES

CSQ subsidises over 100 short courses for workers in the building and construction industry to increase skills and safety.

BUILDINGCSQ PAYS	
GENERAL	
Apply building codes and standards to the construction process for large building projects	\$550
Apply structural principles to the construction of large, high rise and complex buildings	\$550
Apply WHS requirements, policies and procedures in the construction industry	\$280
Assess construction faults in large building projects	\$550
Carry out work-based risk control processes	\$550
Contribute to WHS risk management	\$440
Establish legal and risk management requirements of new business ventures	\$440
Estimate and cost work	\$500
Handle construction materials	\$280
Identify asbestos containing materials and follow safety and reporting procedures (11004NAT)	\$280
Install dry wall passive fire-rated systems	\$500
Manage processes for complying with legal obligations of a building or construction contractor	\$550
Operate a boom type elevating work platform	\$390
Participate in sustainable work practices	\$280
Perform dogging	\$660
Prevent crystalline silica exposure (10830NAT)	\$440
Provide first aid	\$110
Shift materials safely using manual handling methods	\$110
Supervise and manage work with products and materials generating respirable crystalline silica	\$170
Use swing stage scaffolds safely (10910NAT)	\$770
Work safely at heights	\$390
Work safely on scaffolding higher than 2 metres	\$390
Work safely with lead-painted surfaces in the painting industry	\$170
Work with products and materials containing crystalline silica	\$170
ELECTRICAL	
Apply currency of safe working practices and compliance verification of electrical installations ***	\$390
Apply work health and safety regulations, codes and practices in the workplace ***	\$280
Attach cords and plugs to electrical equipment for connection to a single phase 230 Volt supply	\$280

Attach cords, cables and plugs to electrical equipment for connection to 1000 Va.c. or 1500 Vd.c. supply	\$330
Conduct compliance inspection of LV electrical installations with demand exceeding 100 A per phase ***	\$440
Conduct compliance inspection of single phase LV electrical installations ***	\$500
Conduct in-service safety testing of electrical cord connected equipment and cord assemblies	\$390
Design grid-connected battery storage systems	\$940
Design grid-connected photovoltaic power supply systems	\$720
Develop compliance policies and plans to conduct an electrical contracting business ***	\$940
Develop H.V. switching programs	\$440
Disconnect - reconnect electrical equipment connected to low voltage (LV) installation wiring	\$390
Install battery storage equipment power conversion equipment to grid	\$440
Install battery storage to power conversion equipment	\$440
Install photovoltaic systems to power conversion equipment	\$610
Install, maintain and modify customer premises communications cabling: ACMA Open Rule	\$610
Install, terminate and certify structured cabling installation	\$610
Install, test and terminate optical fibre cable on customer premises	\$280
Locate and rectify faults in low voltage (LV) electrical equipment using set procedures	\$390
Operate local H.V. switchgear	\$440
Operate local L.V. switchgear	\$440
Perform rescue from a live low voltage panel	\$60
Perform switching to a switching program	\$440
Working safely in the vicinity of live electrical apparatus as a non-electrical worker	\$330
HIGH RISK WORK (HRW) LICENSES	
Licence to erect, alter and dismantle scaffolding basic level	\$1,100
Licence to erect, alter and dismantle scaffolding intermediate level	\$1,210
Licence to erect, alter and dismantle scaffolding advanced level	\$1,210
Licence to operate a boom-type elevating work platform (boom length 11 meters or more)	\$660
Licence to operate a concrete placing boom	\$1,540
Licence to operate a non-slewing mobile crane (greater than 3 tonnes capacity)	\$1,540
Licence to operate a personnel and materials hoist	\$1,160
Licence to operate a self-erecting tower crane	\$2,200
Licence to operate a slewing mobile crane (up to 20 tonnes)	\$1,710
Licence to operate a slewing mobile crane (up to 60 tonnes)	\$1,710
Licence to operate a slewing mobile crane (up to 100 tonnes)	\$1,980

Licence to operate a slewing mobile crane (over 100 tonnes)	\$1,980
Licence to operate a tower crane	\$1,820
Licence to operate a vehicle loading crane (capacity 10 metre tonnes and above)	\$1,430
Licence to perform dogging	\$1,320
Licence to perform rigging basic level	\$1,490
Licence to perform rigging intermediate level	\$1,600
Licence to perform rigging advanced level	\$1,270
Remove friable asbestos	\$720
Remove non-friable asbestos	\$280
Supervise asbestos removal	\$280
PLUMBING, GAS FITTING & FIRE PROTECTION	
Carry out WHS requirements	\$280
Commission and maintain backflow prevention devices	\$550
Commission and maintain hot and heated water temperature control devices	\$440
Commission domestic and residential fire suppression sprinkler systems	\$610
Design and size consumer gas installations	\$610
Design and size domestic treatment plant disposal systems	\$440
Design and size heated and cold water services and systems	\$940
Design and size sanitary drainage systems	\$390
Design and size sanitary plumbing systems	\$440
Design and size stormwater drainage systems	\$610
Design residential and domestic fire sprinkler systems	\$610
Gas test atmospheres	\$220
Identify, inspect and test fire and smoke doors	\$280
Identify, inspect and test passive fire and smoke containment products and systems	\$280
Install and test medical gas pipeline systems	\$990
Join polyethylene plastic pipelines using butt welding	\$330
Join polyethylene plastic pipelines using electrofusion welding	\$330
Quality assure fire-rated lining systems	\$610
Service type A gas appliances	\$940
CIVIL	
GENERAL	
Apply risk management processes	\$280
Communicate information	\$280
Conduct articulated haul truck operations	\$720
Conduct backhoe/loader operations	\$610
Conduct civil construction dozer operations	\$610
Conduct civil construction excavator operations	\$610

Conduct civil construction grader operations	\$610
Conduct civil construction scraper operations	\$610
Conduct civil construction skid steer loader operations	\$610
Conduct civil construction tracked front end loader operations	\$610
Conduct civil construction wheeled front end loader operations	\$610
Conduct operations with integrated tool carrier	\$610
Conduct rigid haul truck operations	\$720
Conduct roller operations	\$610
Conduct self-propelled compactor operation	\$500
Conduct telescopic materials handler operations	\$660
Conduct water vehicle operations	\$550
Control traffic with stop-slow bat	\$440
Drain and dewater civil construction site	\$280
Enter and work in confined spaces	\$280
Identify, locate and protect underground services	\$280
Implement traffic management plans	\$280
Load and unload plant	\$330
Operate elevating work platform	\$330
Safely handle bituminous materials	\$440
Work safely at heights	\$280

MICROCREDENTIALS

This program supports workers and small to medium size business owners to build capability with access to non-accredited, flexible, industry training programs, which respond to emerging skills needs and create safer workplaces.

BUILDINGCSQ PAYS	
Asbestos general awareness training	\$170
Audiometric testing	\$150
Construction wiring program	\$390
Evaluating and planning the installation of solar and heat pump water systems	\$440
Fit testing (quantitative method)	\$110
Health and safety representative (HSR) - WHSQ approved training course - initial (5 days)	\$720
Health and safety representative (HSR) refresher course - WHSQ approved training course	\$330
Introduction to electrical network infrastructure for authorised person	\$500
Legionella management in building water systems	\$330
Revalidation course commission and maintain backflow prevention devices	\$330
